Activity Record (2022)

(国際英語学科 GSE コース 自己アピールシート)

Name:	Name of High School:
-------	----------------------

A. Please summarise the skills you have developed during your time at high school. (This can include skills you have learned outside of school during that time). [75-100 words]

.....
(please explain the reasons how and why these have been valuable, important, or useful) [75-100 words]

B. Please list three specific development goals, and why you want to achieve them.

Write in the form: *I want to be able to*, because

..... [50-75 words]

1. [50-75 words]

2. [50-75 words]

3. [50-75 words]

Activity Record (2022)

(国際英語学科 GSE コース 自己アピールシート)

C. Please tell us about the most important activities and experiences from your recent life. This can be inside or outside of school. Give details! Tell us *what happened, how you felt, how you changed* and *what you learned*.

[150-200 words]

D. What barriers and/or problems might prevent you from reaching your goals (that you wrote about in Part B). Explain *what the problems might be* and *what steps you can take to prevent them?*

[100-150 words]

E. Think about one serious problem in the world today (it can be in Japan or internationally) that you want to help to solve. Please explain *what the problem is* and *why you want to solve it*.

[100-150 words]

(国際英語学科 GSE コース 自己アピールシート)

F. Use the internet to find out what classes you can study in the GSE course. Choose one class that you are especially interested in. Please say *what the class is* and *why you are especially interested in it*.

[100-150 words]

G. For GSE students it is especially important to always be developing your English skills. Below, write a summary of what you think your *strengths* and *weaknesses* are with English. Then, tell us what your *plans to improve in the future are* (give *specific* examples).

[100-150 words]
