Activity Record (2021)

(主体的な活動記録報告書)

Name:	Name of High School:
A. Please summarise the skills you have developed during your time at high school. (This can include skills you have learned outside of school during that time). [75-100 words]	
..... (please explain the reasons how and why these have been valuable, important, or useful) [75-100 words]	
B. Please list three specific development goals, and why you want to achieve them. Write in the form: <i>I want to be able to</i>, because	
..... [50-75 words]	
1. [50-75 words]	
2. [50-75 words]	
3.	
C. Please tell us about the most important activities and experiences from your recent life. This can be inside or outside of school. Give details! Tell us <i>what happened, how you felt, how you changed and what you learned.</i> [150-200 words]	

Activity Record (2021)

(主体的な活動記録報告書)

D. What barriers and/or problems might prevent you from reaching your goals (that you wrote about in Part B). Explain *what the problems might be* and *what steps you can take to prevent them?*
[100-150 words]

E. Think about one serious problem in the world today (it can be in Japan or internationally) that you want to help to solve. Please explain *what the problem is* and *why you want to solve it.*
[100-150 words]

F. Use the internet to find out what classes you can study in the GSE course. Choose one class that you are especially interested in. Please say *what the class is* and *why are you are especially interested in it.*
[100-150 words]

G. For GSE students it is especially important to always be developing your English skills. Below, write a summary of what you think your *strengths* and *weaknesses* are with English. Then, tell us what your *plans to improve in the future are* (give *specific* examples).
[100-150 words]
