

April, 2022

Dear Sirs and Madams,

Thank you very much for your cooperation as always.

We'd like to inform you about the FY 2022 HJU Gakujutsu Kenkyu Josei (HJU Gakujutsu Grant). We're sending you copies of 4 kinds of application forms as follows, with some explanatory notes in English.

1. **Kojin-kenkyu** (grant for the study that **an individual** carries out. Not the same as Kojin-kenkyu-hi (in short, Koken) which every teacher is paid without applying)
2. **Kyodo-kenkyu** (grant for the study that **a group** carries out.)
3. **Gakujutsu-tosho-shuppan-josei** (**publishing** grant)
4. **Gakkai-tokubetsu-josei** (**operating expenses** grant of an academic conference)

Also, you'll see other 2 kinds of relevant documents as follows:

- a. **Application Guidelines** for FY 2022 Gakujutsu Grant (Japanese version only, pp.1-3.)
- b. **Review Section Table** for Kakenhi

Under the HJU rule of Gakujutsu Grant (Japanese version only), you are not allowed to apply for 1 and 2 at the same time. For example, when you are a principal investigator of **Kojin-kenkyu (1)**, you may not take any role (a principal investigator or a co-investigator) in **Kyodo-kenkyu (2)** group. To divide the equal opportunity for every researcher here to carry out his/her research activity during FY 2021, the review committee of Gakujutsu Grant will not welcome you join the both research projects. However, the HJU rule allows you to apply for **1 or 2 and 3 or 4** at one time. For example, you can apply for **Kyodo-kenkyu (2)** as a principal investigator and **Gakujutsu-tosho-shuppan-josei (3)** as a writer.

The application forms must be submitted to the office or the mailbox of Sogo-kenkyu-sho (Research Institute) or Shomu-ka by the following due dates. Also, it is necessary for you to fill in every academic information related to your research plan on **researchmap** (<https://researchmap.jp/>).

1. Kojin-kenkyu: Monday, April 18, 2022, 17:00
2. Kyodo-kenkyu: Monday, April 18, 2022, 17:00
3. Gakujutsu-tosho-shuppan-josei: Monday, September 5, 2022, 17:00
4. Gakkai-tokubetsu-josei: Monday, April 18, 2022 17:00

When the message above or the notes written in the application forms don't make sense, please e-mail at souken@gaines.hju.ac.jp.

The Director of HJU Sogo-kenkyu-sho or Research Institute
